What is it?

The Founder as Coach is a single day event run by a qualified (ILM level 7) coach exploring what they teach you at coaching school and how these skills, frameworks, techniques and processes apply to today's business founder.

How it works

We run this in small groups (4-8 people) in an informal environment. Hospitality founders only

- Listening at depth and asking powerful questions that enable change
- Using appropriate tools and techniques on a range of relationship and behaviour issues
- Exploring values and underlying motivation

About Watershed

We run management development programmes and special events for bar and restaurant companies. Together we develop their people to achieve exceptional rates of promotion from within. From our central London location, we run programmes of development for supervisors, general managers multisite. Our style is not just an expert opinion delivered by a trainer but a truly collaborative approach to the day that encourages sharing of best practice, buy-in and practical application.
